IMAGINE VISION AUSTRALIA WITHOUT THE POWER OF VOLUNTEERS

Vision Australia works every day to provide help and support to more than 33,000 people in our community who are blind or have low vision.

They do this work with the essential support of more than 3,800 volunteers. Volunteers who care for the puppies that become essential seeing-eye dogs; volunteers who drive, assist and support recreation programs, volunteers who provide multilingual Telink support and audio descriptions so that individuals who are blind or have low vision can enjoy theatre performances. They are the power behind Vision Australia.

Imagine where the people supported by the volunteers of Vision Australia would be without their support to live the life they choose.

Then imagine the possibilities. Active citizens make a difference.
